Sir:

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 C.F.R. § 1.97(c)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the document listed on the attached Form PTO/SB/08. This Information Disclosure Statement (IDS) is filed after the period set forth in 37 C.F.R. § 1.97(b), but, to the undersigned representative's knowledge, before the mailing date of either a Final action, Quayle action, or a Notice of Allowance. This IDS supplements the IDSs filed on February 4, 2004, May 5, 2005, August 10, 2005, and January 12, 2006.

The document listed on the attached Form PTO/SB/08 was first cited in a First Office Action mailed by the Chinese Patent Office on November 25, 2005, in a counterpart foreign application, and this IDS is being filed within three months of the mailing date of that communication. A copy of the listed document is enclosed.

In lieu of a statement of relevance or full translation of the non-English foreign document, a copy of the First Office Action from the Chinese Patent Office citing and setting forth the relevance of that document and an English language translation of the First Office Action are enclosed.

The First Office Action from the Chinese Patent Office also cited EP 1201368A2 and JP 2000-349053A. Applicants note that these two documents were previously submitted to the PTO in the IDS filed May 5, 2005.

Applicants respectfully request that the Examiner consider the listed document and indicate that it has been considered by making appropriate notation on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes “prior art.” If the Examiner applies the document as prior art against any claim in the application and Applicants determine that the cited document does not constitute “prior art” under United States law, Applicants reserve the right to present the relevant facts and law to the Office regarding the appropriate status of the documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the  
fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
